The screenshot shows the NoodleTools interface. The 'Sources' tab is highlighted in the top navigation bar. Below the navigation bar, the 'Create new citation' button is highlighted with a red box. Two red arrows point from the text in the left box to these two elements. The interface also shows a toolbar with buttons for Copy, Delete, Undelete, Email, Analysis, and Print/Export. Below the toolbar, there is a table with columns for 'Media type' and 'Citation', and a message that says 'Click on + Create new citation to begin writing your bibliography.'

Each PART of Website will be MANUALLY entered into NoodleTools.
